About Sagar

"Photography is about adding life, a meaning and a story to the two dimension frame. It is not about 'taking' pictures, it is all about 'making' pictures!" - Sagar Karnik

Sagar is a professional photographer with an extensive repertoire. He specializes in interior-architecture photography, corporate portraits, children and family portraits and weddings. He has captured portraits of many successful entrepreneurs, worked with reputed architects, interior designers, NGOs, and has covered numerous business and family events. He is appreciated for his perceptiveness, aesthetic creativity and ability to capture human spontaneity.

Besides his formal training in photography, he gained immensely through guidance and mentoring of esteemed photographers like Vishwas Morye, Vinay Parelkar ARPS (UK), AFIAP (Belgium), FFIP (India). He is inspired by the work of Gautam Rajadhyaksha, K. G. Maheshwari, Ansel Adams.

He continues to train at prestigious institutes including Vineye Photo School, Federation of Indian Photography (FIP). His work has been exhibited in the P.L. Deshpande Art Gallery, Mumbai in 2009 and 2010, India Art Gallery, Pune in 2009 and has won various awards.

Sagar has been a part of various photo shoots that has enriched his soul. His craft has touched many platforms including architecture, travel, weddings, media, art, portrait, still-life and more. Let's take a look at some of his work.
